WORK HISTORY

UI/UX Designer

Sept 2023 to present

Sibyl Systems – Akosombo

- Conducted usability tests with more than 30 users to better understand user behaviors and usability patterns on responsive devices, leading to optimized user experiences.
- In less than 4 months, designed elegant flows and interactions for mobile platform partnered with hardware systems, resulting in a 20% increase in user engagement.
- Conducted user research, including interviews and usability testing, to inform design decisions, resulting in data-driven design solutions.
- Led user-centered design projects resulting in improved satisfaction.
- Fostered collaboration and consistency across teams by working closely with product managers, designers and engineers.

Software Engineer

Apr 2022 to present

Enyata, Ghana – East Legon

- Successfully implemented unit testing infrastructure using Jest and Sonar Cloud, leading to a 10% decrease in software issues.
- Optimized images and code, resulting in a 30-second increase in Time on Page, improving web performance and scalability.
- Developed a fully responsive model ensuring compatibility with a wide range of device viewports, resulting in improved user experience.
- Building reusable code for future use.
- Utilizing a variety of markup languages to write web pages.

PROJECTS

- **SeedFi**: A smart lending app connecting users to personalized loan options, fostering financial inclusion and improving credit scores.
- **HRMS**: A powerful, centralized software automating HR tasks, including employee data management, payroll, attendance, and performance evaluations, optimizing productivity and resource allocation.
- **Zero Waste**: UI design for the zero-waste rubbish pickup app facilitates convenient waste scheduling, real-time tracking, and eco-friendly practices.
- **Covenda**: A risk management system catering to businesses, providing comprehensive tools and insights to assess, mitigate, and monitor risks.

EDUCATION

Bachelor of Science: Agribusiness

May 2020

UNIVERSITY OF CAPE COAST
